A faith-based organization that is a Sub-recipient is eligible to use such funds as provided under the regulations of this part without impairing its independence, autonomy, expression of religious beliefs, or religious character. Such organization will retain its independence from federal, State, and local government, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct program funds to support or engage in any explicitly

religious activities, including activities that involve overt religious content, such as worship, religious instruction, or proselytization, or any manner prohibited by law. Among other things, faith-based organizations may use space in their facilities to provide program-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a PSH Program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

Alternative provider. If a program participant or prospective program participant of the PSH Program objects to the religious character of an organization that provides services using PSH Funds, the Sub-recipient shall, within a reasonably prompt time after the objection, undertake reasonable efforts to identify and refer the program participant to an alternative provider to which the prospective program participant has no objection. Except for services provided by telephone, the Internet, or similar means, the referral must be to an alternate provider in reasonable geographic proximity to the organization making the referral. In making the referral, the organization shall comply with applicable privacy laws and regulations. The Sub-recipient shall document any objections from program participants and prospective program participants and any efforts to refer such participants to alternative providers in accordance with the requirements of §578.103(a)(13). Sub-recipient shall ensure that all subrecipient agreements make organizations receiving PSH Funds aware of these requirements.

21. Penalties Interest/Attorney's Fees. The IHCDCA will, in good faith, perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorney's fees, except as authorized by Indiana law, in part, if applicable, Ind. Code § 5-17-5, Ind. Code § 34-54-8, and Ind. Code § 34-13-1. Notwithstanding the provisions contained in Ind. Code § 5-17-5, the parties stipulate and agree that any liability resulting from IHCDCA's failure to make prompt payment shall be based solely on the amount of funding originating from the State of Indiana and shall not be based on funding from Federal or other sources.

22. Conflict of Interest.

(a) Procurement. For the procurement of property (goods, supplies, or equipment) and services, the Sub-recipient must comply with the codes of conduct and conflict-of-interest requirements under 2 CFR 200.317 and 200.318.

The Sub-recipient must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by the Award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the Sub-recipient may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, the Sub-recipient may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Sub-recipient.

(b) Continuum of Care board members. No Continuum of Care board member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents.

(c) Organizational conflict. An organizational conflict of interest arises when, because of activities or relationships with other persons or organizations, the Sub-recipient is unable or potentially unable to render impartial assistance in the provision of any type or amount of assistance using PSH Funds, or when a covered person's, as in paragraph (d)(1) of this section, objectivity in performing work with respect to any activity assisted with PSH Funds is or might be otherwise impaired. Such an organizational conflict would arise when a board member of an applicant participates in decision of the applicant concerning the award of a grant, or

provision of other financial benefits, to the organization that such member represents. It would also arise when an employee of a Sub-recipient participates in making rent reasonableness determinations under 24 CFR 578.49(b)(2) and 24 CFR 578.51(g) and housing quality inspections of property under 24 CFR 578.75(b) that the Sub-recipient, or related entity owns.

(d) Other conflicts. For all other transactions and activities, the following restrictions apply:

1) No covered person, meaning a person who is an employee, agent, consultant, officer, or elected or appointed official of the Sub-recipient who exercises or has exercised any functions or responsibilities with respect to activities assisted under this Agreement, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under this Agreement, may obtain a financial interest or benefit from an assisted activity, have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity, or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or during the one-year period following his or her tenure.

2) Exceptions. Upon the written request of the Sub-recipient, IHCD may grant an exception to the provisions of this section on a case-by-case basis, taking into account the cumulative effects of the criteria set forth in 24 CFR 578.95 (d)(2)(ii).

23. Employee Eligibility Verification. The Sub-recipient affirms under the penalties of perjury that he/she/it does not knowingly employ an unauthorized alien.
24. Independent Contractor. All parties hereto, in the performance of this Agreement, will be acting in an individual capacity and not as agents, employees, partners, joint venturers, or associates of one another. The employees of one party shall not be deemed or construed to be the employees or agents of the other parties for any purpose whatsoever. Except as provided in Section 13(b), neither party will assume liability for any injury to any persons, or any damage to any property, arising out of the acts or omissions of the agents, employees, or subcontractors of the other party.
25. Work Standards. The Sub-recipient shall each execute its responsibilities by following and applying at all times the highest professional and technical guidelines and standards. If the Authority becomes dissatisfied with the work product of or the working relationship with those individuals assigned to perform activities pursuant to this Agreement, the Authority may request in writing the replacement of any or all such individuals, and the Sub-recipient shall grant such request.
26. Governing Law. This Agreement shall be construed and governed in accordance with the laws of the State of Indiana. The parties agree to submit to the exclusive jurisdiction and venue of the courts of Marion County, Indiana for any action arising out of this Agreement.
27. Headings. The headings and subheadings herein are for the convenience of the parties hereto and shall have no legal effect upon the construction of this Agreement.
28. Non-Waiver. No waiver, forbearance, or failure by any party of its right to enforce any provision of this Agreement shall constitute a waiver or estoppel of such party's right to enforce such provision in the future.
29. Severability. The invalidity of any provision of this Agreement shall not invalidate the remaining provisions of this Agreement.
30. Publicity. The parties shall cooperate with respect to all public statements regarding the subject matter of this Agreement. The parties agree that any publicity release or other public reference, including but not limited to media releases and informational pamphlets relating to the Project and any services funded under this Agreement, will clearly state that all activities and services are provided without regard to race, age, color, religion, sex, disability, national origin, ancestry, or status as a veteran.

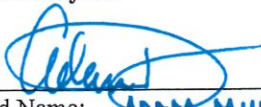

31. Continuity Plan Procedures. If a Sub-recipient is undertaking a closure, reduction, or change in operations that would require or encourage the relocation or transfer of services being provided to tenants involved in Project. The Sub-recipient agrees to comply with the Continuity Plan Procures set forth in Exhibit C to this Contract attached hereto and fully incorporated herein.
32. Order of Precedence. Any inconsistency or ambiguity in this Agreement shall be resolved by giving precedence in the following order: (1) this Agreement, (2) the Exhibits prepared by the IHCD, (3) the Application, and (4) the Exhibits prepared by the Sub-recipient.

Non-Collusion and Acceptance

The undersigned attests, subject to the penalties of perjury, that he/she is the Sub-recipient, or that he/she is the properly authorized representative, agent, member or officer of the Sub-recipient, that he/she has not, nor has any other member, employee, representative, agent or officer of the Sub-recipient, directly or indirectly, to the best of his/her knowledge, entered into or offered to enter into any combination, collusion or agreement to receive or pay, and that he/she has not received or paid any sum of money or other consideration for the execution of this Agreement other than that which appears upon the face hereof. **Furthermore, if the undersigned has knowledge that a State officer, employee, or special State appointee, as those terms are defined in I.C. §4-2-6-1, has a financial interest in the Agreement, the Sub-recipient attests to compliance with the disclosure requirements in I.C. §4-2-6-10.5.**

In Witness Whereof, The Sub-recipient and the IHCD have, through their duly authorized representatives, entered into this Agreement. The parties have read and understand the foregoing terms of this Agreement and do by their respective signatures dated below hereby agree to the terms thereof.

To the extent feasible, volunteer services must be supported by the same methods that the organization uses to support the allocation of regular personnel costs.
- (h) Conflicts of interest. The Sub-recipient must keep records to show compliance with the organizational conflict-of-interest requirements in 24 CFR 578.95(c), the Continuum of Care board conflict-of-interest requirements in 24 CFR 578.95(b), the other conflict requirements in 24 CFR 578.95(d), a copy of the personal conflict-of-interest policy developed and implemented to comply with the requirements in 24 CFR 578.95, and records supporting exceptions to the personal conflict-of-interest prohibitions.

Residential supervision may include the employment of a full- or part-time residential supervisor with sufficient knowledge to provide or to supervise the provision of supportive services to the residents.

14. Match Requirement:

As defined by 24 CFR 578.73 and identified in its approved application, the Sub-recipient hereby agrees that the Award, must be matched with no less than a **25 percent cash or in-kind contribution**. The match requirements apply to project administration funds and, rental assistance. Match must be met on an annual basis.

For an in-kind match, the Sub-recipient may use the value of property, equipment, goods, or services contributed to the project, provided that, if the sub-recipient had to pay for such items with grant funds, the costs would have been eligible. If third-party services are to be used as a match, the sub-recipient and the third-party service provider that will provide the services must enter into a memorandum of understanding (MOU) documenting that the third party will provide such services. Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the Sub-recipient's organization.

15. Match Reports:

The Sub-recipient is required to submit Match Reports on the form provided for that purpose to IHCD annually. The match is required at the end of each program year.

16. Project Administration:

Sub-recipient may use the amount of PSH funds listed in the column entitled "Administration" in Exhibit B to this Agreement, for project administrative costs. These costs include expenses related to the related to the planning and execution of PSH Program activities such as management, coordination, monitoring, and evaluation activities and environmental review. This does not include staff and overhead costs directly related to carrying out activities eligible under 24 CFR 578.43 through 24 CFR 578.57, because those costs are eligible as part of those activities.

17. Confidentiality:

In addition to meeting the specific confidentiality and security requirements for HMIS data, the Sub-recipient must develop and implement written procedures to ensure:

- (1) All records containing protected identifying information of any individual or family who applies for and/or receives Continuum of Care assistance will be kept secure and confidential;

Confidential information means any individually identifiable information, whether oral or written, about the participants who receive services and/or assistance from the PSH Program. Employees, agents, contractors or others who require access to confidential participant information must sign a confidentiality agreement commensurate with the conditions set forth in this Agreement.

18. Termination of Assistance:

(1) Termination of assistance. According to 24 CFR 578.91, the Sub-recipient may terminate assistance to a program participant who violates program requirements or conditions of occupancy. Termination does not bar the Sub-Recipient from providing further assistance at a later date to the same individual or family.

(2) Due process. In terminating assistance to a program participant, the Sub-recipient must provide a formal process that recognizes the rights of individuals receiving assistance under the due process of law. This process, at a minimum, must consist of:

- i. Providing the program participant with a written copy of the program rules and the termination process before the participant begins to receive assistance;
- ii. Written notice to the program participant containing a clear statement of the reasons for termination;
- iii. A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and
- iv. Providing written notice of the final decision to the participant within 10 days of the final decision.

(3) Hard-to-house populations. If Sub-recipient is providing permanent supportive housing for hard-to-house populations of homeless persons it must exercise judgment and examine all extenuating circumstances in determining when violations are serious enough to warrant termination so that a program participant's assistance is terminated only in the most severe cases.

19. Uniform Relocation Act:

Consistent with the other goals and objectives of this part, Sub-recipient must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. "Project," as used in this section, means any activity or series of activities assisted with PSH Program funds received or anticipated in any phase of an undertaking.

The Sub-recipient's commitment of funds to housing activities for any acquisition, rehabilitation, demolition, purchase assistance, and/or relocation activities is conditioned upon IHCD receiving the Sub-recipient's certification of compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, and the implementing regulations at 49 CFR Part 24.

20. Maintenance of Effort:

No assistance received from the Award (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

21. Homeless Management Information Systems:

The Sub-recipient must enter data on PSH beneficiaries into the Homeless Management Information System "HMIS" on a regular and consistent basis. "Regular and consistent" means within a five (5) business days period of intake or discharge. Annual update of a client's status is also required. These updates should be completed at their

annual recertification. Victim services providers are not allowed to enter data into the HMIS but must enter data into a comparable database as described below.

22. Victim Service Providers:

If Sub-recipient is a victim service provider it must enter data on PSH beneficiaries into the ClientTrack database for domestic violence service providers on a regular and consistent basis. "Regular and consistent" basis means within a five (5) business days period of intake or discharge. Annual updates of a client's status are also required. These updates should be completed at their annual recertification.

23. Coordinated Assessment/Access:

Sub-recipient must use the centralized or coordinated assessment system established by the Continuum of Care as set forth in 24 CFR 578.7(a)(8). A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system, provided that victim service providers in the area use a centralized or coordinated assessment system that meets HUD's minimum requirements and the victim service provider uses that system instead.

24. Affirmatively Furthering Fair Housing:

A Sub-recipient must implement its programs in a manner that affirmatively furthers fair housing, which means that the Sub-recipient must:

(1) Affirmatively market their housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities;

(2) Where a Sub-recipient encounters a condition or action that impedes fair housing choice for current or prospective program participants, provide such information to the jurisdiction that provided the certification of consistency with the Consolidated Plan; and

(3) Provide program participants with information on rights and remedies available under applicable federal, State and local fair housing and civil rights laws.

25. Accessibility and Integrative Housing and Services for Persons with Disabilities:

Sub-recipient must comply with the accessibility requirements of the Fair Housing Act (24 CFR part 100), Section 504 of the Rehabilitation Act of 1973 (24 CFR part 8), and Titles II and III of the Americans with Disabilities Act, as applicable (28 CFR parts 35 and 36). In accordance with the requirements of 24 CFR 8.4(d), Sub-recipient must ensure that their program's housing and supportive services are provided in the most integrated setting appropriate to the needs of persons with disabilities.

26. Outreach Activities:

The Sub-recipient must use its best efforts to ensure that eligible hard-to-reach persons are served by the PSH Program. The Sub-recipient is expected to make sustained efforts to engage eligible persons so that they may be brought into the program. Outreach should be primarily directed toward eligible persons who have a nighttime residence that is an emergency shelter or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings (e.g., persons living in cars, streets, and parks). Outreach activities are considered to be a supportive service, and the value of such activities that occur after the execution of the grant agreement may be included in meeting the matching requirement.

27. Nondiscrimination and Equal Opportunity:

(a) Nondiscrimination and equal opportunity requirements. The nondiscrimination and equal opportunity requirements set forth in 24 CFR 5.105(a) are applicable.

(b) Housing for specific subpopulations. The Sub-recipient may exclusively serve a particular homeless subpopulation in permanent housing if the housing addresses a need identified by the Continuum of Care for the geographic area and meets one of the following:

1. The housing may be limited to one sex where such housing consists of a single structure with shared bedrooms or bathing facilities such that the considerations of personal privacy and the physical limitations of the configuration of the housing make it appropriate for the housing to be limited to one sex;
2. The housing may be limited to a specific subpopulation, so long as admission does not discriminate against any protected class under federal nondiscrimination laws in 24 CFR 5.105 (e.g., the housing may be limited to homeless veterans, victims of domestic violence and their children, or chronically homeless persons and families).
3. The housing may be limited to families with children.
4. If the housing has in residence at least one family with a child under the age of 18, the housing may exclude registered sex offenders and persons with a criminal record that includes a violent crime from the project so long as the child resides in the housing.
5. Sober housing may exclude persons who refuse to sign an occupancy agreement or lease that prohibits program participants from possessing, using, or being under the influence of illegal substances and/or alcohol on the premises.
6. If the housing is assisted with funds under a federal program that is limited by federal statute or Executive Order to a specific subpopulation, the housing may be limited to that subpopulation (e.g., housing also assisted with funding from the Housing Opportunities for Persons with AIDS program under 24 CFR part 574 may be limited to persons with acquired immunodeficiency syndrome or related diseases).
7. The Sub-recipient may limit admission to or provide a preference for the housing to subpopulations of homeless persons and families who need the specialized supportive services that are provided in the housing (e.g., substance abuse addiction treatment, domestic violence services, or a high intensity package designed to meet the needs of hard-to-reach homeless persons). While the housing may offer services for a particular type of disability, no otherwise eligible individuals with disabilities or families including an individual with a disability, who may benefit from the services provided may be excluded on the grounds that they do not have a particular disability.

28. Affirmative Outreach:

If the procedures that the Sub-recipient intends to use to make known the availability of the PSH Program are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or handicap who may qualify for assistance, the Sub-recipient must establish additional procedures that will ensure that interested persons can obtain information concerning the assistance.

The Sub-recipient must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap and maintain evidence of implementation of the procedures.

The Sub-recipient must comply with the accessibility requirements, reasonable modification, and accommodation requirements of the Fair Housing Act and of section 504 of the Rehabilitation Act of 1973, as amended.

29. Meaningful Access to the PSH Program for Limited English Proficient Persons:

Persons who, as a result of national origin, do not speak English as their primary language and who have limited ability to speak, read, write, or understand English ("limited English proficient persons" or "LEP") may be entitled to language assistance under Title VI in order to receive a particular service, benefit, or encounter. In accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and its implementing regulations, the Sub-recipient agrees to take reasonable steps to ensure meaningful access to activities for LEP persons. Any of the following actions could constitute "reasonable steps", depending on the circumstances: acquiring translators to translate vital documents, advertisements, or notices, acquiring interpreters for face to face interviews with LEP persons, placing advertisements and notices in newspapers that serve LEP persons, partnering with other organizations that serve

LEP populations to provide interpretation, translation, or dissemination of information regarding the project, hiring bilingual employees or volunteers for outreach and intake activities, contracting with a telephone line interpreter service, etc.

30. HUD Guidance for Single-Sex Emergency Shelters or Other Facilities that Receive ESG, HOPWA, or CoC Funds

A. Assignments

HUD assumes that a recipient or subrecipient ("provider") that makes decisions about eligibility for or placement into single-sex emergency shelters or other facilities will place a potential client (or current client seeking a new assignment) in a shelter or facility that corresponds to the gender with which the person identifies, taking health and safety concerns into consideration. A client's or potential client's own views with respect to personal health and safety should be given serious consideration in making the placement. For instance, if the potential client requests to be placed based on his or her sex assigned at birth, HUD assumes that the provider will place the individual in accordance with that request, consistent with health, safety, and privacy concerns. HUD assumes that a provider will not make an assignment or re-assignment based on complaints of another person when the sole stated basis of the complaint is a client or potential client's non-conformance with gender stereotypes.

B. Appropriate and Inappropriate Inquiries Related to Sex

For temporary, emergency shelters with shared sleeping areas or bathrooms, the Equal Access Rule permits shelter providers to ask potential clients and current clients seeking a new assignment their sex. Best practices suggest that where the provider is uncertain of the client's sex or gender identity, the provider simply informs the client or potential client that the agency provides shelter based on the gender with which the individual identifies. There generally is no legitimate reason in this context for the provider to request documentation of a person's sex in order to determine appropriate placement, nor should the provider have any basis to deny access to a single-sex emergency shelter or facility solely because the provider possesses identity documents indicating a sex different than the gender with which the client or potential client identifies. The provider may not ask questions or otherwise seek information or documentation concerning the person's anatomy or medical history. Nor may the provider consider the client or potential client ineligible for an emergency shelter or other facility because his or her appearance or behavior does not conform to gender stereotypes.

C. Privacy

If a client expresses safety or privacy concerns, or if the provider otherwise becomes aware of privacy or safety concerns, the provider must take reasonable steps to address those concerns. This may include, for example: responding to the requests of the client expressing concern through the addition of a privacy partition or curtain; provision to use a nearby private restroom or office; or a separate changing schedule. The provider must, at a minimum, permit any clients expressing concern to use bathrooms and dressing areas at a separate time from others in the facility. The provider should, to the extent feasible, work with the layout of the facility to provide for privacy in bathrooms and dressing areas. For example, toilet stalls should have doors and locks and there should be separate showers stalls to allow for privacy. Note: ESG and HOPWA funds may be used to renovate an emergency shelter to maximize privacy and safety. The provider should ensure that its policies do not isolate or segregate clients based upon gender identity.

D. Training

It is the responsibility of the Subrecipient to comply with the Equal Access Rule. In furtherance of such, the Subrecipient should provide this Notice to staff members and contractors so as to ensure that employees and contractors who interact directly with potential clients and current clients are aware of it and take prompt corrective action to address noncompliance. Moreover, they should provide training to staff on completing intakes consistent with this guidance. If HUD finds a recipient or subrecipient has failed to meet program requirements, HUD may take actions such as those described in 24 CFR 40 576.501 or 24 CFR 574.540.

E. Further information

In addition to complying with the requirements of the Equal Access Rule as described above, recipients and subrecipients must comply with all of HUD's nondiscrimination and equal opportunity provisions at 24 CFR 5.105.

31. Other Federal requirements:

In addition to the Federal requirements set forth in 24 CFR part 5, the following requirements apply to the PSH Program:

- (a) Environmental review. Activities using PSH Program funds are subject to environmental review by HUD under 24 CFR part 50 as noted in §578.31. The review must be completed prior to the use of the funds from IHCD. Please refer to the Environmental Review Record and Section 106 Historic Review User's Guide found on IHCD's website for policy and forms. <https://www.in.gov/myihcd/2650.htm>.
- (b) Section 6002 of the Solid Waste Disposal Act. State agencies and agencies of a political subdivision of a state that are using PSH Program funds for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6003 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. In accordance with Section 6002, these agencies and persons must:
 - (1) Procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired in the preceding fiscal year exceeded \$10,000;
 - (2) Procure solid waste management services in a manner that maximizes energy and resource recovery; and
 - (3) Must have established an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.
- (c) Applicability of Uniform Administrative Requirements. The Sub-recipient shall comply with 2 CFR 200, except where inconsistent with the provisions of the McKinney-Vento Act or 24 CFR 578.
- (d) Lead-based paint. The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to activities undertaken using PSH Funds. Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero-bedroom dwellings. Accordingly, the Sub-recipient must ensure that the following steps are being taken:
 - A. For every unit:
 - 1. Providing all prospective families with the booklet entitled, "Protect Your Family from Lead in Your Home",
 - 2. Lead-Based Paint Exemption form is completed,
 - 3. HQS inspection is performed,
 - 4. Inspector uses Form HUD-52580, and
 - 5. Inspector must attend HUD Visual Assessment training at the following link: <http://www.hud.gov/offices/lead/training/visualassessment/h00101.htm> and certificate of completion submitted to IHCD.
 - B. If child under six is in unit and unit was built prior to 1978 (additional items):
 - 1. Disclosure of known lead-based paint hazards to prospective tenants before the lease is signed, **Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards (LBP Disclosure Form)** is completed,
 - 2. The Sub-recipient and Landlord must execute an "Agreement for Ongoing Maintenance Activities related to Lead-Based Paint Requirements", drafted by IHCD,
 - 3. Visual assessment for deteriorated paint is performed,

4. Deteriorated painted surfaces is stabilized and hazard reduction activities are performed,
5. Tenants are notified each time such an activity is performed,
6. All work is conducted in accordance with HUD safe practices,
7. Records are maintained concerning paint stabilization by owners of deteriorated paint,
8. Clearance examinations are performed after paint stabilization and before re-occupancy,
9. Ongoing lead-based paint maintenance is performed,
10. If the Sub-recipient is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an COC-RR assisted unit has been identified as having an elevated blood lead level ("EBLL"), the Sub-recipient must complete an environmental investigation of the dwelling unit. The environmental investigation must be completed in accordance with program requirements, and the result of the environmental investigation must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner,
11. Reevaluation shall be conducted and the Sub-recipient shall conduct interim controls of lead-based paint hazards found in the reevaluation,
12. Records are maintained concerning a child with an EBLL in a covered unit, and
13. As part of ongoing maintenance asking each family to report deteriorated paint.

(e) Audit. Sub-recipient must comply with the audit requirements of 2 CFR 200.501.

(f) Section 3 of the Housing and Urban Development Act. Sub-recipient must, as applicable, comply with Section 3 of the Housing and Urban Development Act of 1968 and its implementing regulations at 24 CFR part 135, as applicable.

(g) Violence Against Women Reauthorization Act of 2013 ("VAWA").

The requirements set forth in 24 CFR part 5, subpart L (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), implementing the requirements of VAWA apply to all permanent housing and transitional housing for which PSH Funds are used for acquisition, rehabilitation, new construction, leasing, rental assistance, or operating costs. **The requirements also apply where funds are used for homelessness prevention, but only where the funds are used to provide short- and/or medium-term rental assistance. No individual may be denied admission to or removed from the safe haven on the basis or as a direct result of the fact that the individual is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the individual otherwise qualifies for admission or occupancy.**

(h) Notification Of Occupancy Rights Under VAWA And Certification Form

The Sub-recipient must ensure that the notice of occupancy rights which is set forth in Form HUD 5380 and the certification form set forth in Form HUD 5382 is provided to each individual or family applying for permanent housing and transitional housing and each program participant receiving PSH Funds assistance at the following times:

- i. When an individual or family is denied permanent housing or transitional housing;
- ii. When a program participant is admitted to permanent housing or transitional housing;
- iii. When a program participant receives notification of eviction;
- iv. When a program participant is notified of termination of assistance;
- v. With any of termination of rental assistance; and
- vi. **Immediately, for any existing tenant either during annual recertification or lease renewal, whichever is applicable, or, if there will be no recertification or lease renewal for a tenant, through other means.**

The Sub-recipient must ensure that, for each tenant receiving PSH Funds, the owner or manager of the tenant's housing unit provides the notice of occupancy rights set forth Form HUD 5380 and the certification form set forth in Form HUD 5382 to the tenant with any notification of eviction.

(i) **Request for VAWA protections**

If a tenant seeks VAWA protections set forth in 24 CFR part 5, subpart L, the tenant must submit such request to the Sub-recipient. The Sub-recipient must determine whether the tenant is entitled to protection under VAWA and immediately advise the tenant of the determination; and if the tenant is entitled to protection, the Sub-recipient must notify the owner in writing that the tenant is entitled to protection under VAWA and work with the owner on the tenants. Any further sharing or disclosure of the program participant's information will be subject to the requirements in 24 CFR 5.2007(c) as summarized in Subsection (d) below.

(j) **Emergency Transfers**

The Sub-recipient must use and implement the emergency transfer plan set forth in Form HUD-5381 as modified for the PSH Program and must make the determination of whether a tenant qualifies for an emergency transfer under the plan. The Sub-recipient must provide Form HUD -5383 to a tenant that is requesting an emergency transfer. With respect to tenants who qualify for an emergency transfer and who wish to make an external emergency transfer when a safe unit is not immediately available, the Sub-recipient the individual or family shall have priority over all other applicants for rental assistance, transitional housing, and permanent supportive housing projects funded under this part, provided that: The individual or family meets all eligibility criteria required by Federal law or regulation or HUD NOFA; and the individual or family meets any additional criteria or preferences established in accordance with 24 CFR 578.93(b)(1), (4), (6), or (7). The individual or family shall not be required to meet any other eligibility criteria or preferences for the project. The individual or family shall retain their original homeless or chronically homeless status for the purposes of the transfer.

(k) **Confidentiality**

Any information submitted to the Sub-recipient regarding a tenant's protections under VAWA, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking (confidential information), shall be maintained in strict confidence by the owner and the Sub-recipient.

(1) The Sub-recipient shall not allow any individual administering assistance on behalf of the Sub-recipient or any persons within their employ (e.g., contractors) or in the employ of the Sub-recipient to have access to confidential information unless explicitly authorized by the Sub-recipient for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

(2) The Sub-recipient shall not enter any confidential information into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is:

(i) Requested or consented to in writing by the individual in a time-limited release

(ii) Required for use in an eviction proceeding or hearing regarding termination of assistance from the CoC- RR Program; or

(iii) Otherwise required by applicable law.

The Sub-recipient's compliance with the protections of 24 CFR 5.2005 and 24 CFR 5.2009, based on documentation received under this section shall not be sufficient to constitute evidence of an unreasonable act or omission by the Sub-recipient. However, nothing in this paragraph shall be construed to limit the liability of the Sub-recipient for failure to comply with 24 CFR 5.2005 and 24 CFR 5.2009.

(l) **Remaining participants following bifurcation of a lease or eviction as a result of domestic violence, dating violence, sexual assault, or stalking.**

If a family who is receiving PSH Funds separates under 24 CFR 5.2009(a), the family's tenant-based rental assistance and any utility assistance shall continue for the family member(s) who are not evicted or removed.

If a family living in permanent supportive housing separates under 24 CFR 5.2009(a), and the family's eligibility for the housing was based on the evicted individual's disability or chronically homeless status, the remaining tenants may stay in the project until the expiration of the lease in effect at the time of the qualifying member's eviction. Otherwise, if a family living in a project funded with PSH Funds separates under 24 CFR 5.2009(a), the remaining tenant(s) will be eligible to remain in the project.

(m) **Prohibited Denial/Termination**

Sub-recipient shall ensure that any applicant for or tenant of PSH-assisted housing may not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

(n) **Construction Of Lease Terms**

Sub-recipient shall ensure that an incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as:

- (i) A serious or repeated violation of a lease for PSH-assisted housing by the victim or threatened victim of such incident; or
- (ii) Good cause for terminating the assistance, tenancy or occupancy rights to PSH-assisted housing of the victim of such incident.

(o) **Termination On The Basis Of Criminal Activity**

Termination on the basis of criminal activity. A tenant in receiving PSH may not be denied tenancy or occupancy rights solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:

- (i) The criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, and
- (ii) The tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault or stalking.

(p) **Lease Addendum**

The Sub-recipient is responsible for ensuring that the landlord or property manager uses the PSH lease addendum with VAWA protections. The Sub-recipient must ensure that each tenant has the PSH lease addendum created by IHCD that incorporates all requirements that apply to the landlord or lease of PSH-assisted rental housing under 24 CFR part 5, subpart L, including the prohibited bases for eviction and restrictions on construing lease terms under 24 CFR 5.2005(b) and (c).

(q) **Limited applicability of VAWA requirements:**

1. Nothing in this section limits the authority of the Sub-recipient or owner, when notified of a court order, to comply with a court order with respect to:
 - (i) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or
 - (ii) The distribution or possession of property among members of a household.
2. Nothing in this section limits any available authority of a Sub-recipient to evict or terminate assistance to a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or

stalking that is in question against the tenant or an affiliated individual of the tenant. However, the Sub-recipient must not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, or is affiliated with an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance.

3. Nothing in this section limits the authority of a Sub-recipient to terminate assistance to or evict a tenant under a covered housing program if the Sub-recipient can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to property of the Sub-recipient would be present if that tenant or lawful occupant is not evicted or terminated from assistance. In this context, words, gestures, actions, or other indicators will be considered an "actual and imminent threat" if they meet the standards provided in the definition of "actual and imminent threat" in 24 CFR 5.2003.
4. Any eviction or termination of assistance, should be utilized by a Sub-recipient only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents.

(g) Indirect Cost Rate.

According to 2 CFR 200.414(f), the Sub-recipient may charge a de minimis rate of 10% of modified total direct costs (MTDC). As described in 2 CFR 200.403, Factors affecting allowability of costs, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as the Sub-recipient chooses to negotiate a rate, which the Sub-recipient may apply to do at any time.

A proposal to establish a cost allocation plan or an indirect (F&A) cost rate, whether submitted to a Federal cognizant agency for indirect costs or maintained on file by the Sub-recipient, must be certified by the Sub-recipient using the Certificate of Cost Allocation Plan or Certificate of Indirect Costs as set forth in Appendices III through VII, and Appendix IX in 2 CFR part 200. The certificate must be signed on behalf of the Sub-recipient by an individual at a level no lower than vice president or chief financial officer of the Sub-recipient.

(i). Internal Controls.

The Sub-recipient must:

- A. Establish and maintain effective internal control over federal funds that provides reasonable assurance that the Sub-recipient is managing federal funds in compliance with Federal statutes, regulations, and the terms and conditions of the federal funding. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework", issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- B. Comply with Federal statutes, regulations, and the terms and conditions of federal funds.
- C. Evaluate and monitor the Sub-recipient's compliance with statutes, regulations and the terms and conditions of the federal funds.
- D. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.

Take reasonable measures to safeguard protected personally identifiable information and other information that IHCD or HUD designates as sensitive or the Sub-recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

(j). Conflict of Interest Disclosure.

The Sub-recipient must disclose in writing any potential conflict of interest to IHCD.

(k). Mandatory Disclosure.

The Sub-recipient must disclose, in a timely manner, in writing to IHCD all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Award. The Sub-recipient's failure to make these disclosures may subject to the Sub-recipient to remedies of non-compliance set forth in 2 CFR 200.338.

If the total value of the Sub-recipient's currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then the Sub-recipient must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

30. Closeout.

- A. The Sub-recipient must submit, no later than thirty (30) days after the Expiration Date, all financial, performance information and other information as required by the terms and conditions this Agreement.
- B. The closeout of a Federal award does not affect any of the following:
 - 1. The right of IHCD to disallow costs and recover funds on the basis of a later audit or other review.
 - 2. The obligation of the Sub-recipient to return any funds due as a result of later refunds, corrections, or other transactions including final indirect cost rate adjustments.
 - 3. Audit requirements in subpart F of 2 CFR part 200.
 - 4. Recordkeeping and record retention requirements set forth herein.

Continuity Plan Procedures

If a Sub-recipient is undertaking a closure, reduction, or change in operations (this would include loss of the Sub-recipient's funding due to the termination of the Sub-recipients Award Agreement) that would require or encourage the relocation or transfer of services being provided to tenants involved in any of IHCD's supportive housing program's (collectively "Program") the Sub-recipient must comply with the requirements listed below.

A. Initial notice.

 - 2) IHCD;
 - 3) The Lead Agency for Coordinated Entry in the Region where the Sub-recipient's Program is located.
- b) The written notice must be signed by the Sub-recipient's Board Chairman and Executive Director and shall include the contact information for the person(s) that will be responsible for coordinating the efforts in the planning process, and the number of tenants that potentially will be affected by the closure, reduction, or change in operations.
- c) The Sub-recipient must inform prospective tenants of its intent to reduce or change operations, and of the relocation plan.
- d) The Sub-recipient is prohibited from admitting any new tenants to the Program on or after the date of the written notice.

 - 1) identify the estimated date of closure, reduction, or change in operations;
 - 2) identify the efforts that will be undertaken to include other stakeholders in the relocation process;
 - 3) outline the process to ensure that the tenants receive sufficient notice;
 - 4) present an aggregate description of the tenant population remaining to be relocated and that population's needs;
 - 5) identify an inventory of available housing options and resources;
 - 6) identify a schedule for the timely completion of each element of the plan;

- 7) identify the steps the Sub-recipient will take to address the relocation needs of individual tenants being housed through the Program, who may be difficult to place due to specialized care needs; and
 - 8) identify the steps needed to share information and coordinate relocation efforts with other organizations.
- c) All parties involved in implementing the relocation plan shall refrain from any public notification of its intent to close, reduce, or change operations until a relocation plan has been established and notice is given to the tenants.

C. Responsibilities of Sub-recipient to relocate residents.

The Sub-recipient shall provide for the safe, orderly, and appropriate relocation of tenants, if relocation is necessary. It is the Program staff that will ultimately be responsible for relocating tenants with support from IHCD. The Program staff shall cooperate with representatives from IHCD, the CoC, and any other agencies involved in planning for and implementing the relocation of tenants.

D. Sub-recipient's responsibilities related to interdisciplinary team.

- a) The Subrecipient shall establish an interdisciplinary team responsible for coordinating and implementing the relocation plan. The interdisciplinary team shall include representatives from IHCD, the Sub recipient's Board, program staff that provide services to the tenants, and program administration.
- b) Concurrent with the notice provided, the Sub-recipient shall provide an updated tenant census summary document to the interdisciplinary team that includes general information regarding any residents needing to be relocated or have their services transferred.

E. Sub-recipient's responsibility to provide notice.

At least 60 days before the proposed date of closing, reduction, or change in operations as agreed to in the plan, the Sub-recipient shall attempt to meet with tenants to explain the process. The Sub-recipient will also, at least 60 days before the proposed date of closing, reduction, or change in operations as agreed to in the plan, send a written notice of closure, reduction, or change in operations to all residents that are being relocated or having their services transferred; this may happen concurrently with tenant meetings. The written notice must include the following:

- a) the date of the proposed closure, reduction, or change in operations;
- b) the contact information for the individual or individuals in the program responsible for providing assistance and information;
- c) notification of upcoming meetings for tenants to discuss the plan for relocation and/or transfer of services; and
- d) the contact information for the new landlord and/or service agency.

F. Sub-recipient's responsibility to prepare tenants for placement.

The Sub-recipient shall provide sufficient time to prepare each tenant to ensure safe and orderly transfer and relocation. The Sub-recipient shall assist each tenant in finding placements that take into consideration quality of services, location, the tenant's needs and choices, and the best interests of each tenant.

Following the establishment of the plan, the Sub-recipient shall conduct meetings with tenants to notify them of the process for transfer of services or relocation.

G. Sub-recipient's responsibilities related to the transfer of Program and tenant records.

- a) In the case of where the Sub-recipient will be transferring services to another organization, the Sub-recipient shall provide the new organization with all of its tenant records prior to the relocation or transfer of the resident. The records must:
 - 1. be provided prior to the actual transfer and/or relocation; and
 - 2. identify the effective date of the anticipated relocation and, if applicable, the destination to which the resident is being relocated.
- b) The Sub-recipient shall provide the receiving program, housing, or care entity with complete and accurate resident records including contact information for family members, responsible parties, social service or other caseworkers, and managed care coordinators. These records must also include all information necessary to provide appropriate care and services.

H. Responsibilities of the Sub-recipient during relocation and/or transfer.

- a) The Sub-recipient shall, at no charge to the tenant, make arrangements or provide for the transportation of the tenant to the new unit, if needed. If requested by the tenant, the Sub-recipient shall provide a staff person to accompany the tenant during transportation to the new location. The Sub-recipient must ensure that there is minimal disruption to the tenant during the relocation process.
- b) Beginning the week following the announcement, the Sub-recipient shall submit weekly status reports to IHCD. The initial status report must identify:
 - 1. the relocation plan developed;
